

The Sexiest Christmas Stocking She'll Ever Receive

Giving lingerie as a gift is typically thought of as a Valentine's-Day-only tradition, but having something sexy under the tree for her to unwrap Christmas morning, (and for you to unwrap Christmas night), is sure to bring a little holiday cheer.

Here are five holiday-inspired lingerie sets from Shirley of Hollywood's Santa Babies collection that'll jingle your bells all the way through 'til New Year.
