

M.O.T.

Santa Hotties

*Here's some steamy
things you'll really
crave—be brave.*

You don't need a roaring fire to heat things up. We recommend something a little sheer, my dear. Wanna play? Try Risqué. Another good bet—fishnet. Whatever you want to stuff your stockings with, Shirley has it, from ribbon-tie thongs and see-through lace nighties to a racy red French Maid costume. Voila! Don't forget the most important thing, g-string. We've got a lot—they're H.O.T.!

Who needs a chimney?

Happy home to Shirley tonight.
